FOREWORD

As we pass through the tall, graceful columns of Handley High for the last time, we look long and wistfully at the beautiful colonial building that has typified, not only education, but also southern hospitality and spirit to us for these few years of our high school career. Thus it is with deepest appreciation and admiration of our heritage as Southerners, that we, the Class of 1956 have chosen as the theme of our yearbook—the South.

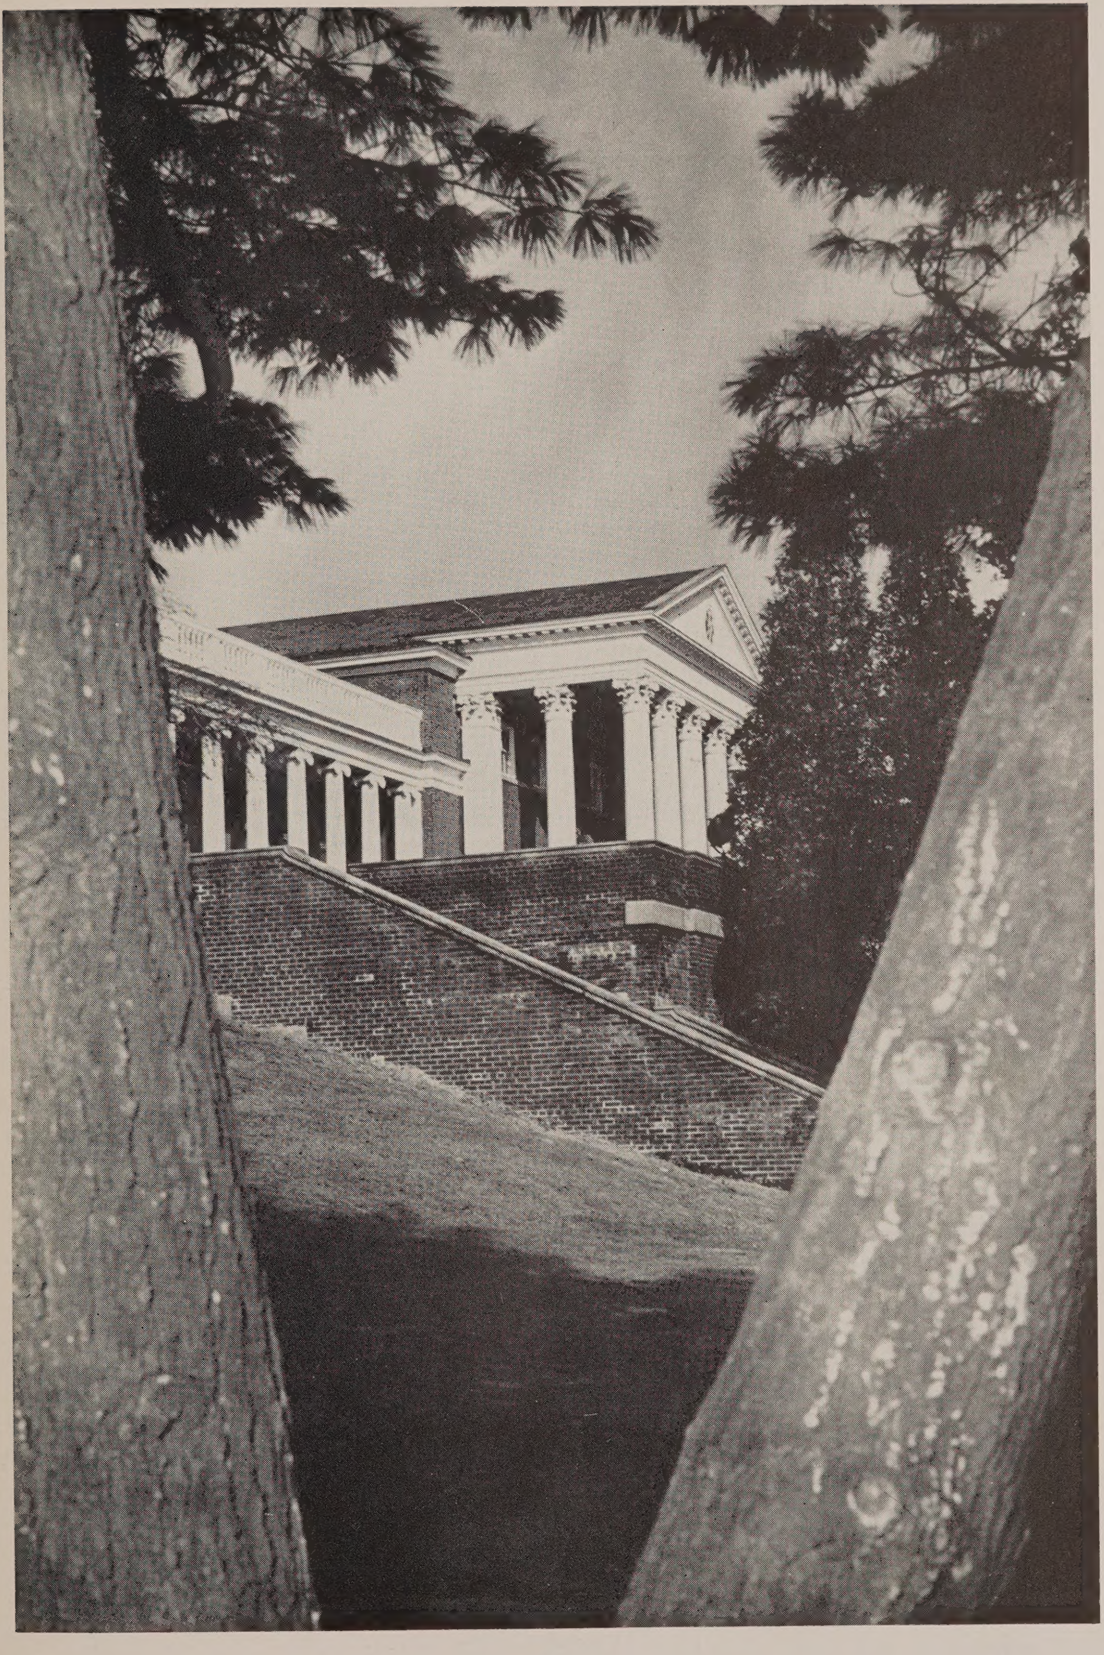
DEDICATION

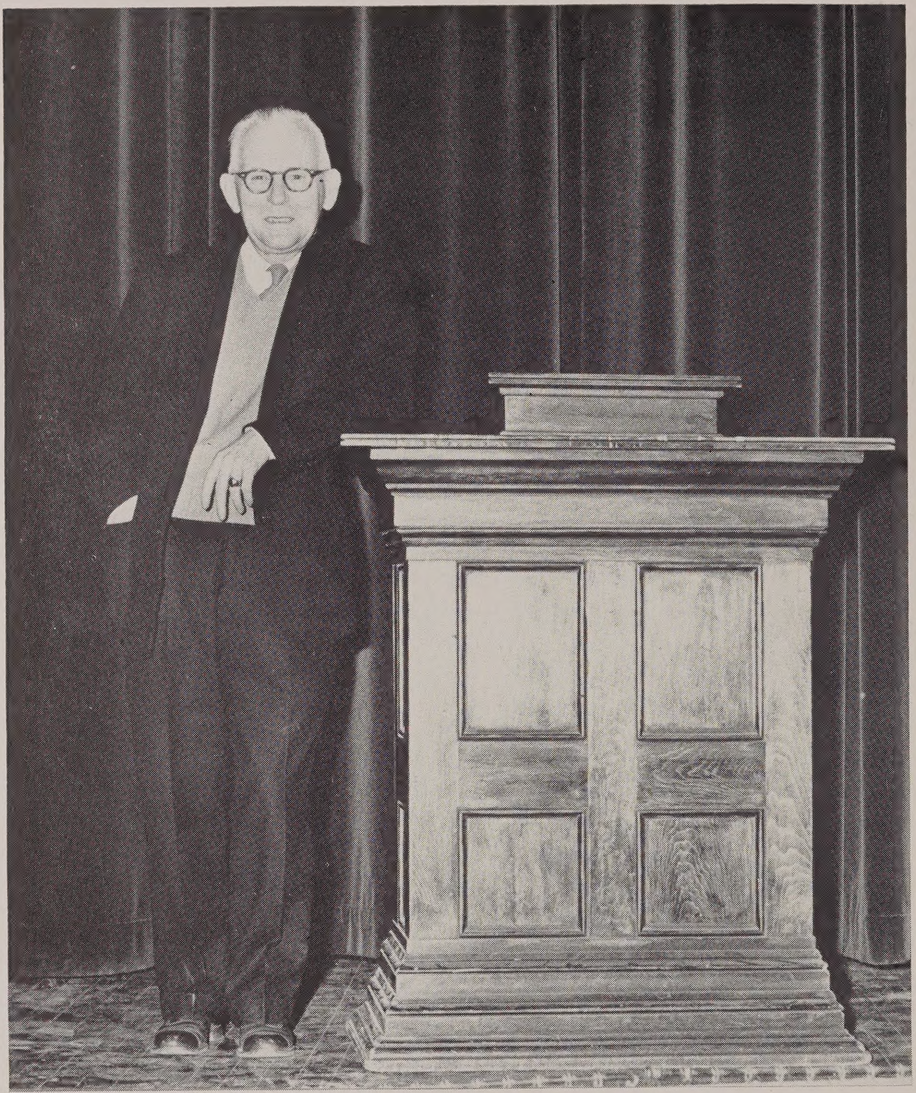
There are many qualifications necessary for a good teacher. Among the most important of these are the ability to instill in students a desire for knowledge, a patient understanding of students and their problems, and the ability to keep a student's interest aroused in a given subject. Because you have shown us these qualities and many more; because you have implanted in us your own enthusiasm for learning; because you were never too busy to listen to our ideas, problems, and opinions; and because you have inspired us to attempt to attain the same fine traits which you exemplify, we the Class of 1956 feel proud and privileged to dedicate our HANDLIAN to you,

MISS NORMA DUNN

Miss Norma Dunn



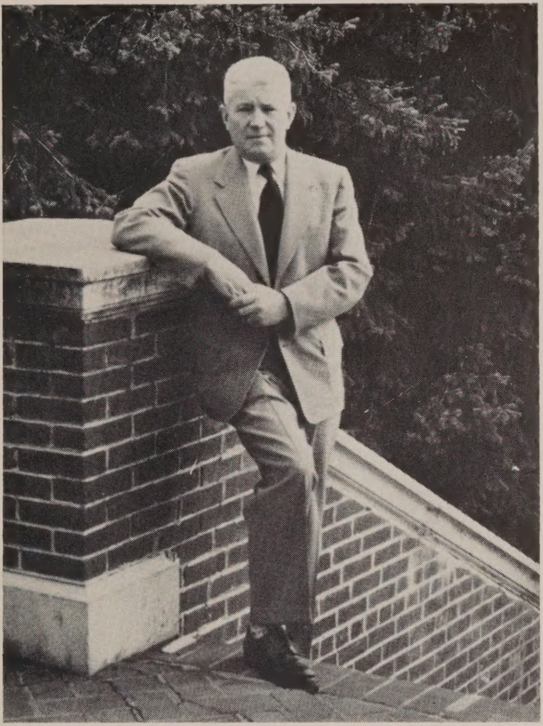
ADMINISTRATION



DR. QUARLES

Since we first entered school, Dr. Quarles has served as our example and advisor. Inspired by his fine qualities of leadership, we have striven to keep our ideals on the same high plain as his. Ever interested in the students, he has proven an excellent teacher and one of our best friends. Without his able assistance, we're sure the HANDLIAN would not have been such a success.

ADMINISTRATION



MR. FRY

Blessed with an understanding of teen-agers and their problems, Mr. Fry commands the love and respect of all Handley's students. Always willing to help in any way possible, he is indeed an asset. A million thanks are due him for his very necessary and much appreciated assistance to us all.

MRS. PEERY

A friendly smile, patience, and helpfulness, all of these remind us of Mrs. Peery. Many of us have known her, not only as a member of the administration, but as counselor, teacher, and much-valued friend. For the unlimited time and help she has given us to prepare us for the future, we give our deepest thanks.

SENIOR CLASS SPONSORS

MRS. HALE

Mrs. Hale, taking the sponsorship of our class in the middle of our high school career, has proved what an asset a wonderful sponsor can be. To her we owe our heartfelt thanks for "service beyond the call of duty" without which our goals could never have been reached.

MR. JONES

A toast to our "science-teacher sponsor" whose ready wit and willing hands have urged us on to bigger and better things. His helpfulness and good counseling have earned him the exalted title of "Papa" Jones. Our thanks to our highly successful "father."

TO HANDLEY

To You I came, a foolish child,
Knowing not the ways of life.
You held me to your bosom dear,
And sheltered me from strife.

As through the years I passed along,
My faltering steps you led.
You warned me that the road was rough
Where pitfalls lay ahead.

But with your guiding hand in mine,
My faith and courage grew,
Till finally I walked alone
On pathways strange and new.

Now at life's threshold I've arrived,
And on that step I stand.
I never could have come this far
Without your helping hand.

The time has come to say good-bye
To you, whom I love dear.
You've guided me throughout the years,
And taught me not to fear.

Now I must leave these cherished walls,
So long my second home.
These days spent here I'll ne'er forget
Wherever I may roam.

CLASS HISTORY

As the clock tolled off the last chimes of a day, I was at work on an English theme. It occurred to me then that this might be the last one I would ever write in high school. That timepiece had ticked off twelve years, twelve long and happy years which we will always treasure in our memories.

That morning we started school in 1944 was just like all mornings, only it was filled with several hundred anxious children. Our first day in school was a perplexing one with all the new faces, and us wandering aimlessly about the new building.

In the early grades at John Kerr and Virginia Avenue we too pitched in with the war effort by bringing newspapers, scrap iron, and buying stamps. Keen competition sprang up as we gathered paper and metal products in our small wagons all over town. Every Monday morning we brought our stamp money and most of us kept our books filled.

The mornings always held an awaited moment, the moment recess began. At this time we engaged in exciting games of baseball, soccer, tag, and hopscotch. We laughed and frolicked our way through the early grades, but somehow knowledge crept into our cheerful minds.

In 1948 most of us entered Handley with the same astonishment and bewilderment as we had at John Kerr. Here we found a bigger school, participated in the Christmas Concert, and proudly took part in the Apple Blossom Pageant. The work became more difficult, but the pride in being at Handley overcame it and we advanced through the elementary grades.

Having entered junior high school in 1950 we proudly scurried through the long corridors to our classrooms. The year slipped by and we watched examinations grow near, with much dismay and excitement. Despite this fear most of us went on to the eighth grade the following year.

In the eighth grade we elected class officers and sponsors. Miss Simpson and Mr. Headley were selected to guide our class. That year we and all the student body lost a valuable counselor and friend in the passing of Mr. E. P. Browning.

CLASS HISTORY

Our first class meeting as freshmen opened with Sammy Long, Jerry Headley, and Martha Butler at the helm. This was the year in which we felt we were really part of the school. The boys presented the award-winning assembly program and the class held a dance of its own in the gym.

As stately sophomores, Tommy Baker became our three term president, Sammy Long our vice-president, and Martha Butler entered her third year of five efficient ones as secretary. That meeting adjourned as it has for the past three years, with Frank proposing the closing motion and Jerry seconding it.

In our junior year we took the place next to the seniors in rank and became an important cog in the organizations of our school, such as the Executive Council, Monogram Clubs, Thespian Club, and many others. That year we elected Mrs. Hale and Mr. Jones as sponsors to succeed the former ones. Both choices provided us with excellent leaders in all our undertakings.

The Junior Stand that year broke all records and the junior play, "The Ugly Duckling", was a tremendous success. All of our committees turned the gym into a fascinating Mardi Gras night for the proms.

With Tommy, Lee and Martha leading, we moved into the Senior Class as its dignified occupants and received our rings. It was a year we had all been waiting for, and we could now take our place at the head of the lunch line and the select spot in the auditorium.

The Booster Club, composed largely of our senior girls, carried on its activities in outstanding form, and did much for our class and the student body. The HANDLIAN, with Jim as Editor and Pat as Business Manager and with the wholehearted cooperation of the staffs, was being prepared to go to press.

We'll always remember this as our greatest year, with the rivalry between the girls and boys hitting its high point, and our ever-present class spirit prevailing as we reached the final stages of our high school education.

We can see the curtain of time closing and only hope that, later, we can pull it aside for another lingering look at this school we love so well.

BILL WHITACRE,
Class Historian

It is made up of one representative from each homeroom, presidents and chairmen of the organizations of the school, the secretaries of the ninth through twelfth grades and the presidents of the eighth through the twelfth grades. This organization is our own Congress. It makes the laws which govern our student body and helps to familiarize us with a democratic type of government.

LITERARY STAFF

One of the most important jobs in the production of our yearbook is writing accurately and interestingly all material for the HANDLIAN. The staff's combined, concentrated efforts finally "paid off" as they proudly saw their share of the work finished before the deadline.

The Library Club has many and varied activities. Every year it sponsors a Book Week, gives an assembly program, keeps a scrapbook of all school activities, and sponsors a party. The initiation of new members is very colorful, as each novice spends a day at school dressed to represent a character from literature. These members are then introduced to the student body through a highly entertaining assembly program. The club members also do much to improve the appearance of the Library and to promote interest in reading.

THE SENIOR PLAY

The delightful little three act comedy "Time Out For Ginger" was produced by the Senior Class. Full tribute must be paid to our sponsors, Mr. Jones and Mrs. Hale, without whose patient guidance the play could not have been performed. This play has offered a chance for the development of any talent in acting which was eagerly grasped by each of the participants. BOOSTER CLUB

The Booster Club was founded by Mrs. Edward Barr in 1933. Junior and Senior girls, after acquiring a certain number of points, are eligible to become members. This point system is based on leadership, citizenship, and scholarship.

The club's main purpose is to further the morale and spirit of the school, by assisting in any way possible the various organizations.

Although there are different activities for the club from year to year, there are some activities which are annual projects.

During the summer, the girls are busy collecting ads for the football programs. At the home games, they sell programs, and the money goes to help supply the teams' needs.

The Junior Evening Star is the biggest project of the year. The members of the club publish the paper once a week all year.

The second-hand book store opens as soon as school starts. The club gives the students a chance to sell their books and to buy others more cheaply.

Each fall, an assembly program is sponsored by the club to better acquaint the Student Body with the different organizations and their purpose.

Before Christmas, a Christmas-card box is placed in the hall by the club. These cards are then sorted and delivered to the Junior and Senior high school.

This year, members of the Booster Club were chosen to be usherettes at the National Symphony Orchestra and the Air Force Band performances.

During College Day, which is soon after exams, the club assists by being messengers, guides, and helping during the social hour.

A spelling match is sponsored by the club each year to promote interest in the state literary contests. Cash prizes are given to the best submissions of short stories, essays, and poems.

To the homeroom presenting the best assembly program during the year, the Booster Club awards a silver loving cup.

1955 FOOTBALL SCHEDULE

Clarke County	19	0

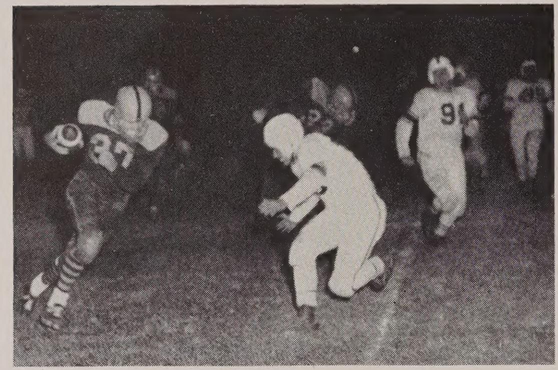
Handley 25: Loudoun County 0

Meeting them for the first time, Handley gave Loudoun something to think about in a game that was hard-fought despite the final score. Blessed with good weather, excited fans poured into the beautiful, sunshine-filled Handley bowl to watch Lee Boppe cross that last stripe for two touchdowns. Gary Anderson and Robbie Robinson helped to keep the fans happy with one touchdown each. Having caught a glimpse of the '55 Handley Judges, hopes and hearts scared high.



Handley 40: Montevideo 0

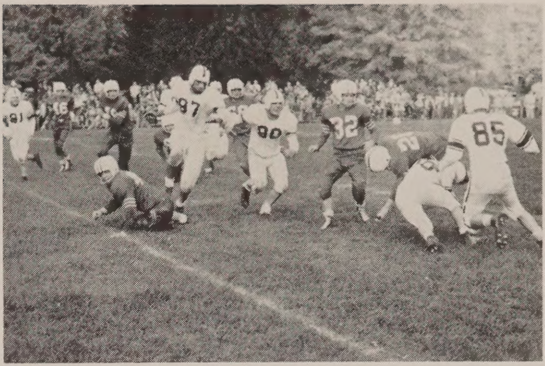
Handley traveled to Harrisonburg to prove to their first district rival, Montevideo, that the score of that first game wasn't an accident. Completely dominating the game, almost all the Judges helped run up that shut-out score. Sharing the scoring honors were: Boppe, Armstrong, Sempeles, Crisman, Anderson, and Carter, each scoring once.

Handley 14: Harrisonburg 0

For the second consecutive week, the Judges traveled to Harrisonburg, this time, to meet their long-time rivals, the Blue Streaks. A hard game from the opening kick-off to the last play, it marked the second district victory for our team.

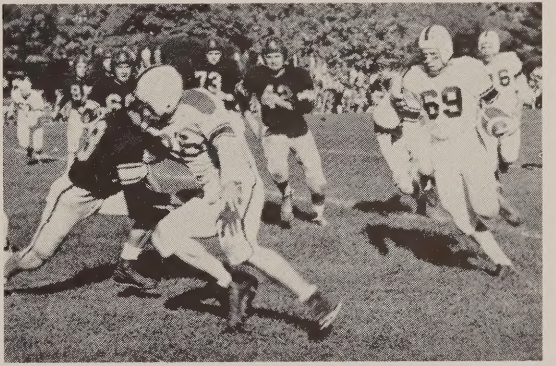
Handley 7: Fort Hill 23

This Saturday found the Judges in Winchester for their second home game of the season. Still smarting from the '54 game, Fort Hill found revenge to be sweet as they scored a decisive victory. Armstrong got through that threatening line for the only Handley touchdown of the afternoon.



Handley 20: Warren County 0

Eager to reverse the preceding week's decision, the Judges scored all twenty points in an exciting first half. Prophetic of the rest of Handley's season was the perfect football weather. Thanks must go to Snapp, Robinson, and Sempeles for the three touchdowns of the game.



Handley 32: Broadway 6

More than living up to expectations, an inspired Broadway team gave the Judges "a run for their money." It was these boys who scored the only touchdown against Handley in district play. Boppe, Crenshaw, Armstrong, Oates, and Sempeles each scored one touchdown.

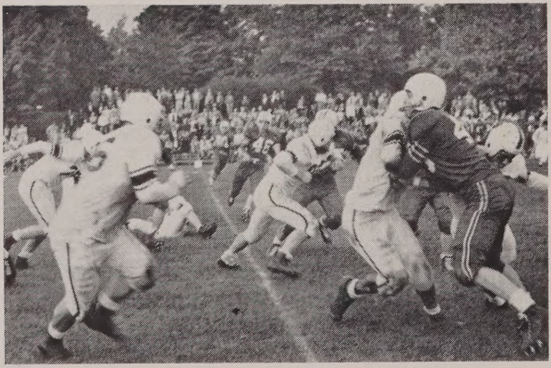
Handley 19: Clarke County 0

Played under lights in Berryville, all the fans held their breath as the ball changed hands several times in the first half. Scoring the only Handley touchdown in the first half was Armstrong on a twenty-five yard run. Freezing fans sat anxious through a scoreless third quarter. Both Crenshaw and Sempeles scored in the last period, and the game's end found our Judges on top—this time to clinch the District 10 Championship for Handley High.

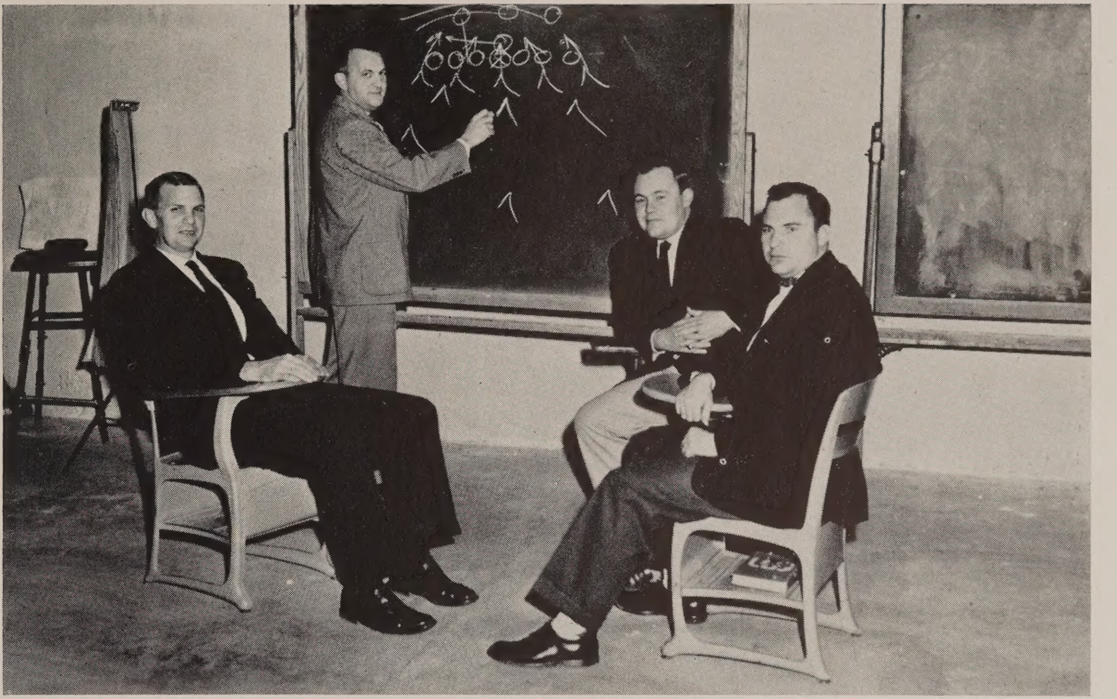
Handley 31: Beall 0

By game time all traces of the snow and sleet were gone, as for the first time, Beall came to Winchester to play Handley. Staying on their cleated toes, the Judges outplayed a baffled Beall team. Crossing the last stripe twice was Armstrong, with Sempeles, Crenshaw, and Carter each crossing once.

Handley 20: Martinsburg 0



Climaxing an excellent season, the Judges and most of Winchester traveled to Martinsburg for the Thanksgiving Day classic. There, before a capacity crowd Handley played the best ball of the season. Co-captains George Sempeles and Frank Armstrong outdid themselves on offense and defense. Armstrong scored one and Sempeles two touchdowns. Thus delighted, Winchester fans watched their wonderful Handley Judges bring to a close their 1955 football season with eight wins and one loss, 208 points to 29 for the opposition. Congratulations Judges!



Left to Right: Mr. Wood, Mr. Maddex, Mr. Siebert, Mr. Litten.

ALEXANDRIA MEMORIAL RELAYS

Handley took a very determined team to Alexandria, but as the day progressed, it became apparent that the other team simply overpowered Handley's inexperienced team. Although Sempeles, placing third in the shot, was the only man to place, the rest of the boys felt that the experience gained was worth the trip.

MARTINSBURG TRACK MEET

With three first places, the team came in third at Martinsburg, and in this track meet several members of the team showed that they were to be reckoned with in future meets. The team was gaining the momentum they needed and everyone was satisfied with the progress.

First places were won by:

Smith, Crenshaw, Boppe—Broad Jump.

Hickerson, White, Cain—High Jump.

Shendow, Sempeles, Fietcher—Discus.

SIXTEENTH ANNUAL HANDLEY INVITATIONAL

Returning to Handley, the Judges gave a performance that was worth a second place, and although being outclassed by Fairfax, the team came through in grand style with Hickerson breaking the record for the high jump, and Shendow winning the discus throw.

FIRST ANNUAL APPLE BLOSSOM MEET

This meet was between teams of the nearby schools. The day was wonderful and Handley captured first place in nearly every contest. Crenshaw was spectacular as he placed first in three contests including the 100 yard dash, the 220 yard dash and the broad jump. Every man was good, and Handley was proud of the results.

These boys won first places:

Sempeles—Shot Put.

D. Jackson—440 Yard Dash.

Grim—880 Yard Run.

White—High Jump.

Crenshaw—Broad Jump.

Oates—Pole Vault (tie).

Shendow—Discus.

Sempeles, Grim, Armstrong, D. Jackson—Mile Relay.

Boppe, Higgs, Smith, Crenshaw—880 Yard Relay.

GROUP II DISTRICT V TRACK AND FIELD

The meet to decide the best team in the district and to select the entries in the State Track and Field Meet was held at Montevideo. The team gave a wonderful performance and placed first in the whole district. Because they were either first or second in their respective events, these boys were chosen to represent Handley at the State Meet the following week: D. Jackson, Sempeles, Shendow, Hickerson, Crenshaw, Grim, Armstrong, and Wheatley.

STATE TRACK AND FIELD

At this track meet the Handley thin-clads met the stiffest competition of the State. Even though they made a traditional good showing the opposition was too powerful and Handley could only finish seventh in the State.

Next year all but one of the boys have a chance to help the team score higher when we hope to have even more entries in the State Meet.

FORT HILL INVITATIONAL

Handley traveled to Fort Hill to compete against the best competition of that part of the country. The track was in the best possible condition and the runners had a chance to show their best form. The boys from Handley captured four first places and the team won a well-deserved second place.

First places were won by:

Gordon—High Hurdles.

Gordon—Low Hurdles.

Sempeles—Shot Put.

Shendow—Discus (Meet Record).

JUNIOR VARSITY FOOTBALL

Showing great promise for future varsity teams, the J. V.'s proved their worth by handing in an undefeated season. These boys will go a long way in helping to "fill the shoes" of Handley's seniors.

DIRECTORS

MRS. CARTER

Mrs. Carter has been one of our Physical Education directors since the beginning of our Junior High days. Besides her regular duties of teaching, she is one of the sponsors of the Girls' Monogram Club, helps plan and direct the Apple Blossom Pageant, and coaches the Varsity Cheerleaders. Mrs. Carter's friendly smile and disposition have helped us to enjoy our sports thoroughly.

MISS RITTER

Miss Ritter, co-director of the girls' athletics, also gives much of her time to other activities besides her Phys. Ed. classes. She is the other sponsor of the Girls' Monogram Club, the Jr. Varsity Cheerleaders are coached by her, and she also helps with the Apple Blossom Pageant. None of us will forget Miss Ritter as a swell leader in athletics as well as a friend.

Sometimes it is the nature of a craft to create an unbreakable tie between itself and the worker in that field, a heart attachment equal to lifetime devotion. One familiar example is PRINTING. Once editor, once compositor, or pressman catches the spirit of the shop, the spell is seldom broken. Like the odor of a camp fire, or a whiff of salt air, the beloved tang of printer's ink, symbolical of a great profession, gets into your heart and soul. School Annuals, Magazines, Newspapers and Special Printing, all smack of it. It is an invisible link that binds all intelligence together. It is the stimulus for creation in business or romance. This craftsmanship, this devotion to service and alertness to business needs, has nourished and developed an enormous industrial vitality, and whichever way the course of the future runs, the printer will always find himself able to adapt his helpfulness to new opportunity.

Years of experience have taught us! Printing Pays Us Only When It Pays You!
